Biography

Mohammad reza Firouzkouhi has completed his bachelor degree in nursing. After graduation he worked as a registered nurse in Zabol hospitals for 5 years. He earned his M.Sc in nursing management in and Ph.D in nursing from Isfahan University of medical sciences. Currently I am a professor in Zabol University of medical sciences, Iran.

Research interests

I am interested in the area of:

- Historical research
- Oral history
- Nursing management
- Nursing history
- Disaster nursing
- Qualitative research
- Cancer nursing
- Disaster management
