In the name of God

Scientific research resume

Personal details:

:National code	:Date of birth 1351.5.28	Name: Mahin Last name: Naderi Far
:ID number	:Place of birth Mashhad	Father's name: Nader
:Contact number	Residential address:	
:Email ORCID: 0000-0001-8183-3503 Scopus ID: 55620676800Google Scholar: Google Scholar Profile	Emergency contact number: 05432232137	

Educational background

GPA	Country/City of Study	Name of the educational unit	Duration of study		Degree	Field of study	Educational level
			Up to	From			
17.65	Zahedan	Zahedan University of Medical Sciences	1993	1980		Nursing	Bachelor's degree
18.50	Tehran	Iran University of Medical Sciences	2006	2003	Pediatrics	Nursing	Master's degree
18.13	Tehran	Shahid Beheshti University of Medical Sciences	2017	2012	Nursing education	Nursing	Doctorate

:Employment status

Date of employment: 1372.3.18 Cooperation status: Official Academic rank: Associate Professor Base: 2 8

Scientometric indicators (based on the Ministry of Health's scientometric system)

- **H-Index: 16**
- **G-Index: 26**
- **Citations: 5629**
- **ISI articles : 43**
- **Number of articles: Scopus49**
- **PubMed Articles : 18**
- **First author articles : 5**
- **Responsible author articles: 15**
- **International articles:10**
- **Article citation ratio: 14.7**

Educational background

19 years of teaching experience as a faculty member

Director of Postgraduate Education, Zabol School of Nursing since 2018

Member of the Postgraduate Education Council of Zabol University of Medical Sciences

Member of the Postgraduate Education Council of Zabol School of Nursing and Medical Sciences

Professor of the year 1403, Zabol University of Medical Sciences

Outstanding Professor of the Year 2019, Faculty of Nursing Zabol

Winner of the top ranking in the national and intra-university Martyr Motahari Educational Festival process in 1403

Member of the Editorial Board of the Quarterly Scientific Research Journal of Diabetes Nursing

Student Advisor from2006 to present

Teaching the Research Methods Unit for the Doctorate in Nursing

Teaching the Methodology and Critique of Quantitative and Qualitative Research in Nursing PhD in Nursing

Teaching the unit of nursing theories , models and their application, Master of Surgery

Teaching the Nursing Theories , Models, and Concepts Unit of the Master of Critical Care Specialist

Teaching the Fundamentals of Critical Care Unit , Master of Critical Care

Teaching specialized care in the respiratory ICU

Teaching advanced nursing in endocrine disorders

Teaching specialized care in the hemodialysis department

Teaching advanced nursing in specialized care in the internal ICU

Teaching chronic diseases, Master of Internal Surgery

Senior Nursing Theories Internship

Master 's Internship

Holding educational workshops and journal clubs for master's students

Teaching theoretical and practical units on children's diseases, prevention of common children's diseases, healthy ,Healthy child, sick child, pediatric diseases, emergency in special groups of nursing, midwifery ,newborns , sick newborns emergency and health disciplines in the Faculties of Nursing and Midwifery of Zahedan , Zabol and Iranshahr- Faculties of Health of Zahedan and Zabol- Zahedan Azad University Since 2006

Internship in pediatric diseases

Healthy Child Nursing Internship

Pediatric Emergency Internship

Internship for newborns

Internship in pediatric nursing

Internship in the field of pediatrics and neonatology

Emergency training in specific groups

- **Membership in committees and councils**

Member of the Research Council of Zabol University of Medical Sciences

Zabol University of Medical Sciences Education Council Member of the

Academic Neonatal Resuscitation Instructor

Expert of the Academic Committee on Neonatal Resuscitation

Member of the Nursing School Accreditation Committee

Member of the Nursing School Structure Monitoring and Improvement Committee

Member of the Committee for Monitoring New Teaching Methods in the Faculty of Nursing

Member of the Faculty Accreditation Committee of the School of Nursing

Elected representative of faculty members on the Nursing School Promotions Committee

Member of the Educational Ranking Evaluation Committee of the School of Nursing

Member of the Virtual Education Committee

Elected representative of the Faculty of Nursing

Member of the Value-Based Curriculum Planning Committee of the School of Nursing

Member of the Internal Evaluation Working Group of the Faculty of Nursing

Member of the Nursing Working Group, Faculty of Nursing

Head of the Growth and Development Unit Working Group, Faculty of Nursing

Member of the Research Committee in Nursing School Education

Member of the Faculty of Nursing Development Committee

Member of the Community Health Nursing Education Department

of the UniversityEDC Curriculum Planning Committee

FacultyEDC Member

EDC Workshop Instructor

Full-time faculty member of Zahedan Health Promotion Research Center from2008 .to 2012

- ***Scholarships, awards, recognitions***

Top researcher at Zabol University of Medical Sciences

Selected as an active reviewer in several international journals

Obtaining H-Index = 16 in the Ministry of Health's Scientometrics System

Top Researcher of Zabol University of Medical Sciences in 2024

Top Researcher, Faculty of Nursing and Midwifery, Zabol 2024

Top Author, Zabol University of Medical Sciences 2024

Top Author, Zabol University of Medical Sciences 2023

Top Researcher of Zabol University of Medical Sciences, 2012

Top Researcher of Zahedan University of Medical Sciences, 2010

Top Researcher of Zahedan University of Medical Sciences, 2009

Top Researcher, Zahedan University of Medical Sciences, 2008

- ***Membership in scientific associations and societies***

  Full-time faculty member, Zabol University of Medical Sciences

  Associate Professor of Nursing in the Department of Internal and Surgical Nursing

  Member of the Iranian Nursing System

  country metropolitan interprofessional network -the 8

  Breastfeeding Promotion Committee Iranian

  Member of the Iranian Telemedicine Association

Instructor in workshops

Instructor for three Master's degree nursing and law workshops

Qualitative Research Method Workshop Instructor

Research Method Workshop Instructor

Teaching Method Workshop Instructor

3 neonatal resuscitationtraining courses9/12/88 to2/28/89

NICU Workshop10/26/85 to10/28/85 Zahedan SocialSecurity Hospital

NICU retraining8/10/87 to9/10/87 Zahedan SocialSecurity Hospital

NICU short-term training course16/9/87 to22/9/87 Alilbn AbiTaleb Hospital

NICU training courses11/8/87 to24/8/87 Alilbn AbiTaleb Hospital

NICU short-term training course4/7/87 to17/7/87 Alilbn Abi Taleb Hospital

NICU short-term training course25/3/87 to6/4/87 Alilbn AbiTaleb Hospital

NICU short-term training course15/4/87 to29/4/87 Alilbn AbiTaleb Hospital

NICU short-term training courses16/9/87 to30/9/87 Alilbn AbiTaleb Hospital

NICU short-term training course27/4/87 to9/5/87 Alilbn AbiTaleb Hospital

Neonatal mechanical ventilation training workshop3/17/89 , Ali Ibn Abi TalebHospital

Neonatal mechanical ventilation training workshop1/9/88 , Ali Ibn Abi TalebHospital

Neonatal Emergency Nursing Care Workshop3/12/88 Alilbn Abi Taleb Hospital

ShortNICU training course at Nabi Akram Hospital, Zahedan

Workshop onNursing Care in Children27/8/88 to28/8/88 ,Bu Ali Hospital

Neonatal mechanical ventilation training workshop10/3/89 , Ali Ibn Abi TalebHospital

Neonatal Resuscitation Training Course25/3/89 to27/3/89

Attending workshops:

Application of Artificial Intelligence in Meta-Analysis 2024.5.15.

Application of Artificial Intelligence in Research 2022. 5.1.

Application of artificial intelligence tools in education 2025.5.8.

Cardiopulmonary resuscitatio CPR 12/9/86

Windows, Word, Internet ,SPSS ,Powerpoint workshopspoint 25/6/85

3 search, endnote workshops20 /4 /86

Essay writing workshop 7 /11 /86

Evidence WorkshopBacked Morning 11/25/86

Communication skills workshop9/9/86

OSCE workshop18 /1 /86

Lecture skills workshop8 /9 /86

Clinical training workshop 8/23/87

Portfolio log book workshop11/26/86

SPSS software introductory workshop 5 /2 /89

Poster Making Workshop Iran University of Medical Sciences

A) History of research activities

Top Researcher of Zabol University of Medical Sciences in 2024

Top Researcher, Faculty of Nursing and Midwifery, Zabol ,2024

Top Author, Zabol University of Medical Sciences 2023

Top Author, Zabol University of Medical Sciences 2022

Top Researcher of Zabol University of Medical Sciences, 2012

Top Researcher of Zahedan University of Medical Sciences, 2010

Top Researcher of Zahedan University of Medical Sciences, 2009

Top Researcher, Zahedan University of Medical Sciences, 2008

- **ISI articles : 43**
- **Number of articles Scopus: 49**
- **articles PubMed: 18**
- **Number of Google Scholar articles: 113**
- **First author articles : 5**
- **Responsible author articles: 15**
- **International articles:10**
- **Article citation ratio: 14.7**

Supervisor 30 Residency thesis, general medicine and master's degree in internal surgery and nursing

ongoing and completed research projects 52

Head of the Student Research Committee of the Faculty of Nursing and Midwifery from 2007 to 2011

Member of the editorial board of the scientific journal of diabetes nursing, Zabol Medical Science

Scientific reviewer of articles in the Journal of Internal Surgery, Zahedan School of Nursing, Medical Sciences

Reviewer of prestigious foreign journals

- **Journal of Clinical Research in Paramedical Sciences**
- **BP International**
- **Asian Journal of Advances in Medical Science**
- **Journal of Experimental Agriculture International**
- **Journal of Advanced Nursing**
- **Coronavirus Journal**
- **BMC Medical Informatics and Decision Making**
- **BMC Nursing**
- **BMC Pediatrics**
- **BMC Complementary Medicine and Therapies**
- **Strides in Development of Medical Education**
- **Asian Journal of Research in Nursing and Health**
- **Burns**
- **Iranian Journal of Medical Ethics and History of Medicine**
- **ijbsm**

Scientific reviewer of articles in the Diabetes Research Journal, Zabol School of Nursing and Midwifery, Medical Sciences

Scientific reviewer of research projects at the Faculty of Nursing and Midwifery of Zahedan and Zabol

Member of the Scientific Committee of the National Seminar on Quality of Life

from Member of the Student Research Committee Council of the Faculty of Nursing and Midwifery 2007 to 2011.

Scientific reviewer of articles in the scientific research journal of Shahid Beheshti School of Nursing and Midwifery
